

# RISKY Biscuit

WE'RE YOUR **JAM.**

**BE READY TO  
PARTY WHEN  
RISKY  
BISCUIT  
HITS THE STAGE.**

*With a ranging mastery of genres  
and diverse setlist, we're not only  
capable of nailing songs like they're played  
on the album, but able to seamlessly  
mix-and-match songs in fluid jams.*

# BY AND FOR THE 90'S

*Risky Biscuit pulls from one-hit-wonders like Harvey Danger and Marcy's Playground, chart-toppers like Third Eye Blind and Matchbox 20, and deep cuts from bands like Stone Temple Pilots and Sublime. Love the 90's but want more than just alternative rock? Catch us playing Outkast and Garth Brooks. Feeling something classic? Listen for The Beatles and Pink Floyd.*

# MEET THE BAND

*Logan fronts with a bold voice, raging rhythm guitar, and masterful presence. Having carried his own original act for years, this guy knows how to bring the magic.*

*Justin drives home soaring leads and hits harmonies harder than Holyfield in his prime. With a background in musical production, he knows how to match the sound to the moment.*

*Rashad has all the low end you want, and is more in the pocket than a set of car keys. Having toured extensively, he has the experience to keep the rhythm on lock.*

*Mark is a master timekeeper who's infectious rhythms rock the house, keeping the crowd moving and grooving.*

*Jesse's keys bring next-level magic. A singer-songwriter in his own right, Jesse has a keen sense of the right emotion to draw out of the sound.*

**WHY  
RISKY BISCUIT?  
GLAD YOU ASKED.**

*Ask us. If we don't know it, we'll figure it out in minutes. We have thousands of songs in our repertoire and are constantly adding more.*

**WE'RE HERE TO  
ENGAGE THE AUDIENCE**

*We're not here to perform, we're here to party - and that means creating a shared experience that includes every single person in the room.*

**WE'RE  
CUSTOM-FIT**

*Your favorites are our priority. We work with you to create a set list that reflects the event - and the people attending.*
